

Senior Center & Nutrition Program

Success Stories

**No need to reinvent the wheel,
just make it work better for you.**

You don't need to come up with a completely new idea to make money, add programs, or make changes. There are some really good things going on right now at senior centers across Pennsylvania. That is why the Joint Committee on Senior Centers and Nutrition Services Advisory Committee are partnering to collect and distribute Senior Center and Nutrition Program Success Stories from across the commonwealth.

Submissions can be made in the following categories:

- Branding your center
- Volunteer projects
- Intergenerational Programs
- Community Events
- Money Making Ideas
- Special Groups
- Creative Meal/Nutrition Events

Senior Center Professionals and Nutrition Program Staff are invited to submit their own success stories. The deadline for submissions is August 2, 2010. All submissions will be collected, compiled, and distributed to all attendees at the PASC October 2010 conference and network nutrition staff. All those who enter will be eligible to win a **FREE** Registration to the PASC October 2010 Conference in State College or the 2011 Nutrition Services Conference.

Go to www.paseniorcenters.org or www.aging.state.pa.us to submit your Senior Center and Nutrition Program Success Story today. In addition to being entered to win a FREE conference registration, you will be sharing your ideas and expertise with other professionals just like you!
